# OFFSHORE STRUCTURAL INTEGRITY MANAGEMENT

Highlighting the importance of structural integrity management across a range of fixed, floating and subsea facilities, the event will bring together key industry stakeholders in a format designed to share experiences on challenges encountered, novel methods and technology solutions deployed and emerging technical trends in the industry.

Following the Offshore Structural Integrity Management Conference, Global Underwater Hub will host the Splash Zone Conference on Thursday, 23 April. This one-day event will also take place at The Chester Hotel in Aberdeen.

You can buy a combined ticket for both events.
