UMBILICALS CONF 2026

The one-day, in-person, conference will take place at the event studio within Global Underwater Hub's office in Westhill, Aberdeen, once again bringing together stakeholders involved in the design, manufacture, installation and operation of subsea umbilicals.

Taking the theme **Umbilicals - Shaping the Future Through Collaboration**, the conference will explore a wide range of topics shaping the umbilical industry and the wider offshore energy sector.

As the sector evolves, with new markets, technologies and challenges emerging, this is your opportunity to join the conversation, share knowledge and experience, and help drive progress across the industry.

TICKETS

£175 +VAT FOR GUH OR UMF MEMBERS

£215 +VAT FOR NON MEMBERS
